With Wiechman, the right pigs get to the right markets!

Domestic Meat Division

Buying Stations/Locations

In 1948, Dick Wiechman began purchasing feeder pigs for resale along with swine breeding stock. As the industry matured, Wiechman Pig evolved into a leader in the marketing of various sizes and weights of swine throughout the U.S. and Mexico. Today we stand alone in our ability to merchandize these animals to over 50 niche markets from coast to coast and border to border. We also have a division involved in meat and roaster sales, domestic and abroad. Wiechman Pig strives to satisfy producers and end users with each and every transaction.

Why choose Wiechman Pig Company?

- Wiechman Pig Company partners with our processors/customers, working together to develop new, wide-ranging markets.
- Efficient marketing facilities have been strategically located and designed for easy access from swine producing areas.
- Precise sorting techniques have been developed to maximize the value on every animal purchased to insure the right pigs get to the right markets.
- A dependable market means we never turn down a load of hogs.
- Timely deliveries to our processors/customers.
- Highly trained & educated personnel with over 150+ years of combined procurement experience.

With Wiechman, the right pigs get to the right markets!

Domestic

Established in 1948, Wiechman Pig Company has grown to become one of the largest and most well respected companies in the swine market industry, serving producers, processors and transportation partners alike. We maintain long term contracts and relationships with many of the largest swine producers in the United States, providing key markets for large supplies of light weight butchers, sows, boars and roaster pigs.

Our Pork Marketing Division takes pride in its talented employees, with over 150 years of committed service to our company and the processors and transportation partners in our industry. We have developed precise sorting techniques to maximize the value on every animal purchased, benefiting the producer and processor. Through the establishment of over 50 markets, domestic and international, the maximum value of every animal is increased even more.

Our Domestic Meat Division, an extension of Pork Marketing, was launched to add even more value to our markets, domestic and international. We relish the opportunity to partner and work closely with our processors/ customers to continue to identify and develop wide ranging markets. In doing so, we have become one of the largest suppliers of Roaster Pigs in the United States.

Export

Wiechman Pig Company has become a lead exporter of live hogs and meat to Mexico.

Juan Deluna
Export Crossings

Live Exports:

We now have over 20 years experience exporting live hogs to Mexico to become the largest exporter of live hogs for slaughter. We have 18 livestock transports available to deliver directly to customers in Mexico, as well as, our own stockyards in Piedras Negras for inspections on the Mexican side. Juan Deluna is our full-time crossing agent at the border.

Meat Exports:

We have the ability to send fresh carcasses from our many processor partners, and are capable of providing any cut of fresh or frozen pork products: Bone in Hams, picnics, boneless shoulders, feet, heads, glands, etc.

We have eight refrigerated reefers to deliver directly to customers in Mexico, and also transport and deliver pork hides.

With Wiechman, the right pigs get to the right markets!

FAQs

Where does Wiechman Pig Company sell their pigs?
Who does Wiechman Pig Company sell to?
Why do you pay differently on weights and/or “lower quality animals”?
What are your hours of operation?

Question: Where does Wiechman Pig Company sell their pigs?

Answer: All throughout the United States and Mexico.

Question: Who does Wiechman Pig Company sell to?

Answer: To major packers and specialty processors that Wiechman's has helped developed to insure the right hogs get to the right processor for maximum returns.

Question: Why do you pay differently on weights and/or “lower quality animals”?

Answer: Wiechman Pig Company's goal is to get the “right pigs” to the “best markets” while minimizing the sorting requirements resulting in less stress on each animal. This results in maximizing profits for both parties.

Question: What are your hours of operation?

Answer: Monday - Thursday 7:00 am - 7:00 pm

Friday 7:00 am - 3:00 pm

Special requests will be handled as needed.
